Thank you for your application. The Winter Magic Festival attracts a large number of applications each year and it is impossible to accommodate everyone.

To those who are coming for the first time, please enter into the spirit of the Festival and dress up for the occasion. The colour and creativity that you bring to the event is one of the things that sets Winter Magic apart.

We look forward to seeing our stallholders. You are a very important part of our community event. Good luck in 2007.
